ABOUT

I am Robin Hossain, a passionate Frontend Developer with expertise in building responsive, dynamic, and user-friendly websites using modern web technologies.
Apart from development, I am highly interested in Cybersecurity and Network Defense. I am committed to improving my problem-solving skills through Data Structures, Algorithms, and System Design. My career goal is to become a versatile Software Engineer and Cybersecurity Specialist.

EDUCATION

B.Sc. in Computer Science and Engineering

Green University of Bangladesh

2023 – Present — Dhaka, Bangladesh

Higher Secondary (Science)

Mohadevpur Union Govt College

2017 – 2019 — Dhaka, Bangladesh

Secondary School (Science)

Aricha Belayet Hossain High School

2012 – 2017 — Dhaka, Bangladesh

PROJECTS

Elite Footwear

E-commerce Website

2024

Developed a responsive full-stack online shoe store using HTML, CSS, and JavaScript. Implemented core e-commerce features: product filtering, a secure shopping cart system, and user authentication.

Prottoy Foundation

Non-Profit Web Portal

2024

Created a platform for a non-profit organization, including integrated donation and event management features.

Line Coding Visualizer

Educational Tool

2025

Designed and built an educational tool to visualize line coding algorithms (NRZ, Manchester, AMI). Developed using Python and Tkinter for real-time simulation and teaching.

Array Multiplier

Binary Arithmetic Visualizer

2025

Developed both Java Swing and web versions (HTML/CSS/JS) to perform binary multiplication. Features a visualization of the gate count required for the operation.

AgroCulture

Farmer–Buyer Platform

2025

Built a web application connecting farmers and buyers with secure registration and distinct user dashboards.

TECHNICAL SKILLS

Programming Languages	Python, C, Java, JavaScript, MySQL
Web Development	HTML, CSS, JavaScript, Web Hosting
Tools & Operating Systems	Git & GitHub, Linux, LaTeX
Core Concepts	Cybersecurity, a long way to go

LANGUAGES

Bengali	Native
English	Professional working proficiency
Hindi	Conversational

CERTIFICATIONS

Web Development Fundamentals
Programming Hero (2023)

INTERESTS

CyberSecurity | Open Source Contributions | Competitive Programming | Technical Reading | Language Learning
