📍 Dhaka, Bangladesh

ABOUT

I am Robin Hossain, a passionate Frontend Developer with expertise in building responsive, dynamic, and user-friendly websites using modern web technologies.

Apart from development, I am highly interested in Cybersecurity and Network Defense. I am committed to improving my problem-solving skills through Data Structures, Algorithms, and System Design. My career goal is to become a versatile Software Engineer and Cybersecurity Specialist.

EDUCATION

B.Sc. in Computer Science and Engineering

Green University of Bangladesh

📅 2023 – Present

📍 Dhaka, Bangladesh

Higher Secondary (Science)

Mohadevpur Union Govt College

📅 2017 – 2019

📍 Dhaka, Bangladesh

Secondary School (Science)

Aricha Belayet Hossain High School

📅 2012 – 2017

📍 Dhaka, Bangladesh

PROJECTS

Elite Footwear

E-commerce Website

📅 2024

Developed a responsive full-stack online shoe store using HTML, CSS, and JavaScript. Implemented core e-commerce features: product filtering, a secure shopping cart system, and user authentication.

Prottoy Foundation

Non-Profit Web Portal

📅 2024

Created a platform for a non-profit organization, including integrated donation and event management features.

Line Coding Visualizer

Educational Tool

📅 2025

Designed and built an educational tool to visualize line coding algorithms (NRZ, Manchester, AMI). Developed using Python and Tkinter for real-time simulation and teaching.

Array Multiplier

Binary Arithmetic Visualizer

📅 2025

Developed both Java Swing and web versions (HTML/CSS/JS) to perform binary multiplication. Features a visualization of the gate count required for the operation.

AgroCulture

Farmer–Buyer Platform

📅 2025

Built a web application connecting farmers and buyers with secure registration and distinct user dashboards.

TECHNICAL SKILLS

Programming Languages
Web Development
Tools & Operating Systems
Core Concepts

Python, C, Java, JavaScript, MySQL
HTML, CSS, JavaScript, Web Hosting
Git & GitHub, Linux, LaTeX
Cybersecurity, a long way to go

LANGUAGES

Bengali
English
Hindi

Native
Professional working proficiency
