Education

BSc in Computer Science & Engineering CGPA 3.32 out of 4
Green University of Bangladesh Running (2022-present)
Mirpur, Dhaka

Higher Secondary School Certificate (H.S.C) GPA 4.50 out of 5
Hazi Abed Ali College 2019
Narsingdi

Secondary School Certificate (S.S.C) GPA 4.77 out of 5
Satirpara K. K. Institution School And College 2017
Narsingdi

Projects

Flower Shop (Responsive Design) Link: GitHub

• Created a fully responsive layout for mobile and desktop screens. Implemented navigation, forms, and basic interactive features.

G3 Architects (Responsive Design) Link: GitHub

• Developed a fully responsive website adaptable to mobile, tablet, and desktop screens. Implemented modern navigation menus, responsive grid layouts, and user experience.

Chatting Application System (Java) Link: GitHub

• Built a message-passing app with a Java-based GUI, featuring interactive chat windows and smooth message display.

Hotel Management System (Data Structures - C++) Link: GitHub

• Built a linked-list-based hotel management system supporting room allocation, search, update, delete, and sorting operations with efficient data handling.

Career Objective

To utilize my potential in designing new software and technology with latest requirement and advancements in the field of technology, thereby adding up to the reputation of the organization

Skills

- Web Development
- Frameworks : Express.js
- Libraries : React Js, Tailwind CSS
- Tools : Git, GitHub, VS Code
- Data Structures & Algorithms
- Object-Oriented Programming
- Java, Python, SQL, Cisco
- Project Management
- MS Office Tools

Courses

Web Development (Programming Hero) (6 months) (Running)
Built responsive websites using HTML, CSS, JavaScript, and modern frameworks.

Language

- Bangla (Native)
- English (Intermediate)
