- JavaScript (Node.js)
- Power BI
- C
- Python
- Java
- MySQL
- Django Backend
- React, Tailwind CSS

PARTICIPATON FOR COMMISSION IN ARMED FORCES:

- 82 BMA LC ISSB-2158
- 84 BMA LC ISSB-2206

EDUCATION

Bachelor of Science
Computer Science and Engineering
Green University of Bangladesh,
CGPA: 3.41 (Running)
Duration: Jan 2022 – Present

Higher Secondary Certificate (Science)
Khulna Public College
GPA: 5.00
Duration: Apr 2017 – Apr 2020

Secondary School Certificate (Science)
Kaliganj Govt. Secondary High School
GPA: 5.00 (Stipend)
Duration: Jan 2015 – Mar 2017

Experience:
Intern – Software Development
Next Tech LTD, Dhaka | Oct 2025 – Present

- Collaborating with developers on real-world projects, gaining exposure to product performance metrics and client data handling.
- Strengthening analytical thinking and reporting skills through team-driven insights.

ACADEMIC PROJECTS

CNN-Based Skin and Oral Cancer Detection Using Medical Images *(Thesis Paper)*

- Developed a multi-task CNN model for skin and oral cancer classification using medical imaging datasets.
- Integrated Grad-CAM for model interpretability and visual explanations.
- **Accepted:** IEEE Conference on Biomedical Engineering, Computer and Information Technology for Health 2025 (Submission ID: 254).

ImpactFund
My Team (06/2024 – 12/2024)

- Developed a donation tracking system with a public transaction record and logic-based impact calculator to ensure transparency and accountability.

Joystick Controlled Robotic Arm
My Team (11/2023 – 12/2023)

- Used knowledge of Electronics and programming for assembling and added tweaking for custom controls.

Rocket Control Simulator
My Team (06/2022 – 09/2022)

- Made the administrative login panel, Trajectory, and fuel consumption calculations Resources and time computation for each expedition

ACHIEVEMENTS AND AWARDS

- Platoon In charge | BNCC, Green University of Bangladesh Platoon (Present)
- Best Project Award – IDP Project Showcase, GUB (2024)
- Best Extempore Speech – BNCC Wing Camp (2025)
- Finalist – Walton Campus Ambassador Program
- Best Research Abstract Award – "Go Abstract" Contest, GUB (2024)
- Winner – Victory Day Quiz Competition, GUB
